Poway Award Program Honors Achievement

POWAY June 19, 2025 -- Arthritis Care and Research Center, Inc. has been selected for the 2025 Best of Poway Award in the Physicians & Surgeons category by the Poway Award Program.

Each year, the Poway Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small businesses through service to their customers and our community. These exceptional companies help make the Poway area a great place to live, work, and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2025 Poway Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Poway Award Program and data provided by third parties.
